

BEING BILLY

Billy spends most of the book not noticing the people who are actually trying to help him get through his troubles.

on the hand below, write the names of the people who are trying to help him.

Billy feels frustrated and lashes out at many people in the book.
How many can you name here?

How many are the same as those on the previous page?
Why?

What is the biggest obstacle for Billy?
The main thing getting in his way and
stopping things from working out ...
